Hasht@g or not? What is it?

Come to meet other young people from **France, Italy, Czech Republic and Turkey** to exchange about the topic of **communication through technology**.

By means of games, scenarios and ludic tools, you'll exchange about your points of view and question your practices.

You'll be supported to experiment other ways of communicating and use your creativity to imagine a new language or create the perfect « social network ».

An excursion and some meetings connected with the topic will be planned.
