KEY ACTION 3

SUPPORT TO POLICY DEVELOPMENT AND COOPERATION

Key Action 3 provides support to policy cooperation at European Union level, thereby contributing to the development of new policies, which can trigger modernisation and reforms, at European Union, and systems' level, in the fields of education, training youth and sport.

The Actions implemented through this Key Action are **aimed to**:

- prepare and support the implementation of the EU policy agenda on education, training, youth and sport
- carry out European policy experimentations, led by high-level public authorities ...
- gather evidence and knowledge about education, training, youth and sport systems and policies at national and European level ...
- facilitate transparency and recognition of skills and qualifications, as well as the transfer of credits, to foster quality assurance, support validation of non-formal and informal learning, skills management and guidance;
- foster policy dialogue with stakeholders within and outside the European Union ...
- improve the implementation of the programme in qualitative terms by facilitating knowledge and practice transfer among National Agencies, equipping National Agencies and Commission with "think-tank" resources ...
- provide opportunities for people at any stage of their life with a learning experience abroad ...
- allow Erasmus+ implementing bodies to act as facilitators to the scaling-up of Erasmus+ projects to apply for grants or develop synergies through the support of the European Structural and Investment Funds managed at national and regional level, the Framework Programme for Research and Innovation, and the programmes relating to migration, security, justice and citizenship, health and culture;
- support events, campaigns and other activities which will inform citizens and organisations about the Erasmus+ programme and European Union policies in the fields of education, training, youth and sport;
- contribute to identifying and disseminating good practices as well as success stories from the supported projects ...

KEY ACTION 3

SUPPORT TO POLICY DEVELOPMENT AND COOPERATION

EUROPEAN YOUTH TOGETHER

The **European Youth Together** action targets youth organisations at grass-root level which want to establish partnerships across borders, i.e. which aim at adding a European dimension to their activities and at linking these activities to EU youth policies.

The purpose is to **encourage new applications from organisations not well established yet at European level**, thus, supporting activities aiming at connecting EU level youth organisations and grassroots NGOs operating at local levels (rural, cities, regions, countries) that will benefit from developing cross-border activities.

OBJECTIVES OF THE ACTION

European Youth Together projects aim **to create networks promoting cross-border partnerships** that will run in close cooperation with young people from across Europe (Erasmus+ programme countries). These networks will organise cooperation, exchanges, promote trainings (for instance for youth leaders) and allow young people themselves to set up joint projects through physical and/or online activities.

Deadline	Apply to EACEA 24 June 17:00 (midday Brussels time)
